• CGPA: 9.23

07/2017 – 03/2019
Rajahmundry, India

🧠 INTERSHIPS

Agile Methodology
Cognizant

10/2022

Software Engineering Virtual Experience
JP Morgan Chase & Co

07/2022

📁 PROJECTS

Land Price Prediction using Machine Learning

- Using Supervised Machine Learning algorithm called "Linear Regression", price of land per square feet is predicted. Click here [🔗](#)

Consumer Sale Prediction

- Developed a model to predict whether the customer will purchase the product or not by using Machine Learning algorithm named "Logistic Regression". Click here [🔗](#)

Portfolio website

- Designed a personal portfolio website by using front end technologies.
- <https://mukeshs-portfolio.netlify.app/> [🔗](#)

Searching & Sorting application using Java swing

- Developed a Java Application which can search and sort elements by using various algorithms & Java Swing components.
- <https://github.com/Mukesh-Sai/Searching-Sorting-Application> [🔗](#)

SKILLS

- Java
- OOPs
- Adaptability
- SQL
- Python
- Teamwork
- Database
- Communication
- Critical Thinking
- Front End Development
- Creativity

WORKSHOPS ATTENDED

Web Development using Django
APSSDC

Front End Development
ProGrad

CERTIFICATES

Java Programming
Udemy

Python
Spoken Tutorial by IIT Bombay

SQL
Hackerrank

Instagram Marketing Professional
OMG Mastermind

VOLUNTEER WORKS

Front End Design, Giet Fiesta 2022

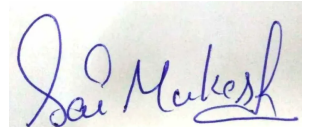

- Was a part of the Website Development Team for the annual Tech/Cultural fest
- Created a responsive website for technical event registrations and details

Head Co-ordinator, Medha 2022

- Looked over the official website's design and hosting along with managing registrations of having 2800+ participants
- Presented daily progress to the event convenor at EOD everyday and took part in the event's offline promotions
