📁 PROJECTS

Forecasting Students' Academic Performance using Support Vector Machine ✍

- Built an SVM-based machine learning model for predicting students' academic performance, aiding educators and policymakers in data-driven decisions to enhance educational outcomes.

Land Price Prediction using Machine Learning ✍

- Utilized supervised machine learning with a "Linear Regression" classifier to forecast land prices per square foot accurately.

Consumer Sale Prediction ✍

- Created a predictive model using the "Logistic Regression" algorithm to determine customer purchase behavior accurately.

Portfolio website ✍

- Crafted a personal portfolio website showcasing my skills and projects through the utilization of front-end technologies, enhancing user experience and professional representation.

Searching & Sorting application using Java swing ✍

- Created a Java Application proficient in searching and sorting elements using diverse algorithms and Java Swing components, contributing to a versatile and efficient user interface for streamlined data manipulation.

SKILLS

Java • SQL • Front End Development • Javascript • HTML • CSS • Machine Learning
Data Structures • Algorithms • Python • Databse • Object Oriented Programming • GIT
Github • Communication • Creativity • Adaptability • Teamwork • Critical Thinking

CERTIFICATIONS

**Oracle Certified Associate
Java SE 8 Developer**
Oracle

Python
Spoken Tutorial by IIT Bombay

**Instagram Marketing
Professional**
OMG Mastermind

WORKSHOPS ATTENDED

Web Development using Django
APSSDC

Front End Development
ProGrad

VOLUNTEER WORKS

Front End Design, Giet Fiesta 2022

- Was a part of the Website Development Team for the annual Tech/Cultural fest
- Created a responsive website for technical event registrations and details

Head Co-ordinator, Medha 2022

- Looked over the official website's design and hosting along with managing registrations of having 2800+ participants
- Presented daily progress to the event convenor at EOD everyday and took part in the event's offline promotions

DECLARATION

I hereby declare that all the above-mentioned information is true and correct to the best of my knowledge.
